OUTDOOR AND INDOOR EDUCATIONAL VISITS THAT ARE SAFE AND STRESS FREE, DELIVERED BY QUALIFIED AND EXPERIENCED PRACTITIONERS

## SURVIVAL SKILLS

*Ideal for Key Stages 1 & 2*

### True breakout learning in a safe, natural environment

Unique hands-on learning, with fully supervised sessions in bushcraft and survival skills and a role play "rescue". Including shaping wood, making a shelter, lighting a fire and fire safety. Using play, exploration, and supported risk-taking, the activities are proven to develop confidence, social skills, team-work and self-esteem.

## WILDLIFE HABITATS

*Ideal for Key Stages 1 & 2*

### Discovering a world of wonderful wildlife

Who do we share our environment with? Use your map to discover wildlife in the Leighton woods and garden, learn to recognise them by their tracks, eating and nesting habits. Work as a team to discover the relationship between the human and animal world and choose a selection of wildlife habitats to make and take home. Then share your findings while enjoying marshmallows over a supervised campfire.

## FOOD FOR THOUGHT

*Ideal for Key Stages 1 & 2*

### Sustainable skills to delicious discoveries

Exploring the fruit and vegetables in Leighton's kitchen garden. Learn where real food comes from, how we grow it, and changing tastes through time. Then branch out on a supervised foraging walk, discovering the delights of edibles / how to avoid non-edibles, before returning to Leighton's outdoor kitchen to turn your bounty into a delicious meal.

## SEASONAL ART

*Ideal for Key Stages 1 & 2*

### Creating crafts in partnership with the seasons

Recognise the turning of the seasons in an immersive nature walk, experiencing the colours, textures and patterns of nature in a whole new light. Collect leaves to print, sticks to whittle, and nuts, berries and fungi to make natural dyes. Enjoy making leaf and charcoal art, conker animals and seasonal crafts, then show off your work around the supervised campfire.

## HOUSES AND HOMES

*Ideal for Key Stage 1*

### Bringing history to life

A fascinating journey discovering how Victorian life, inventions, occupations and food evolved into 21st century family life. Explore Leighton Hall and compare it with your own home. History is brought to life through role play and the tales told by Leighton's child friendly guides.

## UPSTAIRS DOWNSTAIRS

*Ideal for Key Stage 2*

### Discover what life was like for Victorian children

Explore what life was like for Victorian children living either as part of the Gillow family (upstairs), or the families who worked as staff below stairs. Try on the different clothes they wore, discuss the food they ate, enjoy the games they played and handle antique gadgets.

**Itinerary** Start your topic in the classroom with our free activity sheets

**Plan your day** at Leighton Hall

**Book your trip** - already risk assessed for you

**Enjoy a safe, fun and stimulating school visit**

**Continue your learning** back in the classroom with our free teachers notes
